EXHIBITOR FACT SHEET

TRAINING & TRADE SHOW
TAMPA CONVENTION CENTER - TAMPA, FLORIDA

TRADE SHOW: AUGUST 14-16, 2017
TRAINING: AUGUST 15-17, 2017

Show your support for enhanced building operations, energy management, and energy security in the federal sector

Manufacturers, distributors, and service providers of all sizes are invited to this year's Energy Exchange. Share product and service solutions with the federal government; including civilian agencies and the military. This year's event will offer over 80,000 square feet of exhibit space for vendors specializing in the following areas:

- Building & energy data management
- Emerging technologies
- Energy efficient building operations and management
- Energy portfolio planning
- Energy security
- Fleet management
- Greenhouse gas and emissions reductions
- Project funding and design
- Renewable Energy
- Water Management

Help make energy efficiency and renewable energy a leading priority

The Energy Exchange's educational sessions are organized into numerous sessions across more than a dozen tracks; with the ability to earn CEUs. The Energy Exchange's trade show component provides attendees with a unique, hands on learning experience. It's a great way to interact with the latest innovations available in the market today; presented by leading industry experts who are helping to improve outcomes and reduce costs at project sites.
